Statutes of the Antonio Ambrosetti Medal

1. The Scuola Internazionale Superiore di Studi Avanzati (SISSA), with the support of the Scuola Normale Superiore and of the Italian Mathematical Union (UMI) and Accademia Nazionale dei Lincei, has established the Antonio Ambrosetti Medal in memory of Antonio Ambrosetti who has been Professor at SISSA from 1980 to 1983, at Scuola Normale Superiore from 1986 to 1998 and again in SISSA in the years 1998-2012.
2. This award recognizes exceptionally promising young researchers who have already made outstanding contributions to the field of nonlinear analysis.
3. The Antonio Ambrosetti Medal is awarded every two years.
4. There is no restriction on the nationality of Antonio Ambrosetti Medal recipients.
5. The recipient must have defended her/his Ph.D. thesis in the calendar year of the award or in the preceding 12 years. The eligibility period is extended beyond 12 years in case of maternity, with a 2 year extension for each child born before the nomination deadline.
6. The recipient will receive a medal and an allowance for travel to the award ceremony. The cost will be covered by SISSA. On the basis of future donations, SISSA can add also a monetary award.
7. Nominations for the Antonio Ambrosetti Medal can be made by researchers active in the fields of the award.
8. Self-nominations and nominations done by the Ph.D. advisors are not accepted.
9. The selection committee consists of five members:
 - one is nominated by Scuola Normale Superiore;
 - one is nominated by UMI;
 - one is nominated by Accademia Lincei;
 - two are nominated by the Council of the Mathematics Area of SISSA: one of them is external to SISSA, the other one is a SISSA faculty member, who will act as secretary of the selection committee.
10. Researchers who have presented a nomination cannot be members of the selection committee.
11. Before the deadline for nominations, the members of the selection committee may solicit nominations by external referees.
