

# Junior Math Days 2020

4° Edition

The International School for Advanced Studies (SISSA) is a top level research institute and a PhD school founded in 1978 in Trieste, Italy.

The event is aimed at encouraging master students to consider continuing their studies to a PhD level in mathematics and to make them aware of the teaching and research offers of SISSA PhD programs in

- Geometry and Mathematical Physics
- Mathematical Analysis, Models and Applications

The five days program consists of seminars held by SISSA professors and meetings with SISSA PhD students in an informal and friendly environment.

The event is free but the registration is mandatory and can be submitted online through the conference website. Due to the current pandemic, this edition will be completely digital (via the platform Zoom).

## ORGANISERS

Paolo Ventura, PhD Student in Mathematical Analysis, Models and Applications.  
Giuseppe Orsatti, PhD Student in GGeometry and Mathematical Physics.  
Alessandro Rubin, PhD Student in Geometry and Mathematical Physics.

## WHEN

December 14th-18th 2020

## WHERE

ZOOM

## WEBSITE

<https://people.sissa.it/~gorsatti/ScuolaMate.html>

## APPLICATIONS DEADLINE

November 30th 2020
